

February 2021

Dear guests and friends,

Following the latest Government update, our provisional reopening dates based on the lockdown exit roadmap are:

12th April: Alfresco dining on the terrace will be available daily 12 noon until 6pm. (Groups of 6/2 households only). Small weddings (15 people) and receptions can also be booked.

17th May: The hotel, restaurant and bar will fully re-open and we will also be able to host weddings and receptions with up to 30 people. Social distancing rules in place at the time will be adhered to.

Larger events (with no limit on numbers) such as christenings, birthday celebrations, weddings, anniversaries etc can take place from **21st June**.

Please note these dates are provisional and subject to the latest advice. We will await full guidance from the Government and respective professional bodies before communicating our definite plans; and will keep guests informed and updated just as soon as we can.

It has been a difficult 12 months to say the least, but this news brings hope and excitement for the future and we are very excited that we will soon be able to welcome guests back to the Pheasant very soon!

We continue to work hard planning our re-opening and we have already been busy doing some room refurbishments (including the dining room!) which we can't wait to show off.

The safety of our team and our guests has remained our number one priority throughout this whole pandemic and, whilst saddened that we have been closed since the end of 2020, we know that we must all do our bit to help try and reduce the impact of this awful virus. If you have a reservation with us which will be affected by the current lockdown, we will be in touch with you.

Reception is manned daily from 10am to 5pm so do contact us if you would like to make a room booking or dining reservation for April onwards.

If you have a voucher, we will extend it for the period of this closure.

Thank you all for your continued support and understanding throughout this challenging time. The whole Pheasant team look forward to welcoming you back soon and we hope you and your families keep well and stay safe.

Jacquie Pern and Peter Neville
