

Two Nights of New Year Celebrations

At The Pheasant Hotel 2023 / 2024

WELCOME!

We very much look forward to welcoming you to the Pheasant for a very special New Year break. If you have spent New Year with us before then you will know what to expect – but if this is your first time with us, we can assure you will want to come back again!

We will be offering a two-night package. You can choose to arrive on either 30th December 2023 or 31st December 2023 for your two-night stay.

What to expect....

Arrive at The Pheasant and check in from 3.30pm onwards on your arrival date and take the afternoon to settle in with a little relaxation in front of log fires in our cosy bar or sumptuous lounge or maybe take a dip in the pool.

If you are arriving on Saturday 30th December or staying on Sunday 1st January, dinner will be served on the respective evenings between 6pm and 8:30pm. Please let us know your preferred dining time on booking. Dinner includes three courses from our A La Carte menu.

On New Year's Eve we will be holding our Annual Gala Dinner Dance! In the evening get dressed up in your 'finest', ready to celebrate the New Year in style. You will be welcomed in the evening at 7.30pm to Champagne and Canapes in the bar and lounge area. Dinner will be served at 8.30pm and you will be entertained by jazz singer Paul Skerritt, who will be seeing in the New Year with us!

Dancing shoes recommended!
