

THE PHEASANT HOTEL

Pet Policy:

By prior arrangement, The Pheasant Hotel can welcome quiet, well-behaved pets in two of our Courtyard Hotel rooms, Mallards and Peartree. Pets must not be permitted on beds or upholstery and must bring their own pet bed, food, towels, waste bags, etc.

We do not provide cleaning services for Hotel rooms with pet guests and expect owners to reimburse us for any damage caused by their pets.

Our charge for pet guests acknowledges that additional cleaning may be required, but this does not cover dry cleaning or repairs, for which we would make a supplementary charge at cost. We would prefer that if pet guests are to be left unaccompanied in Hotel Rooms, that they are secured in their own cage or left in a car.

Pets brought onto the terrace must be kept on a lead under the owner's control at all times. Pet owners are asked to show respect for other Hotel Guests' sensitivities, in keeping their pets quiet and under control.

We regret that we do not permit accept breeds covered by the Dangerous Dogs Act and expect owners to have the appropriate insurance in the event that their pet should cause injury to any person or property.

Pets are not permitted in the main hotel, other than Assistance Dogs.

However, well-behaved pets are always welcome on the terrace and at quieter times, at the absolute discretion of the Duty Manager, in the Bar. Water can be provided; owners are expected to clean up any waste and to dispose of this appropriately.

Pet owners are asked to show respect for other diners' sensitivities, in keeping their pets quiet, on a lead and under control at all times.
